A group of four people are standing outdoors in a snowy mountainous area. From left to right: a woman wearing a pink headband and a green and white patterned scarf; a woman in a red jacket and a purple and white patterned hat; a man in a blue jacket; and a man in a grey hoodie with a red and black graphic. They appear to be posing for a photo. In the background, there are snow-covered mountains and a small town or resort visible through the trees.

A photograph of a dog sled race at night. A musher in a dark suit is visible on the left, steering a team of about ten dogs. The dogs are in motion, kicking up snow. The background is a dark, snowy landscape under a dark sky. Two bright celestial bodies are visible: a full moon on the left and a smaller, dimmer star or moon-like object above it.

LA TOUSSUIRE
1800 m

A wide-angle photograph of a pastoral scene in the French Alps. In the foreground, a massive flock of white sheep is grazing on a lush green hillside. A small figure of a person stands on the left side of the flock. In the middle ground, a stone wall runs across the hillside. The background features a range of mountains with green slopes and patches of snow. A thick layer of white clouds hangs over the valley between the mountains.
